

ABOUT US

OUR COMPANY HISTORY

Headquartered in Chester, SC, TruVista is a leading provider of communications services to Chester, Fairfield and Kershaw counties. We offer a wide variety of products and services to residential and business customers including: voice, internet, cable television, security, long distance, and wireless services.

Since 1897, we have been the first and foremost to serve the unique needs of our customers. We have remained true to our heritage of superior, local customer service while also keeping our vision on the future enhancements of our industry. At the same time, we have worked to deepen our relationships, strengthen economies, and offer technology that creates new ways to make connections. Our current and future success can be attributed to our strong knowledge of the local markets, operational efficiencies, and commitment to introducing the latest technologies.

At TruVista, we stay involved with our customers and communities, in order to continue to provide the superior-quality products and services they will need for the future.
