- **Total:** 112+ Channels, plus 45+ Digital Music Channels, 30+ PPV Channels, HD Channels plus 2 Choice Packs and DVR

DVR

Pause Live TV! DVR (Digital Video Recorder) lets you take control of your TV like never before. Easy to set-up and easy to use, DVR will reinvent the way you watch TV!

- Pause & Rewind Live TV
- Record 2 shows at the same time
- Set parental controls on what can and can not be recorded
- Select what to record using the on-screen guide
- Fast-Forward and Rewind recorded programming
- Watch one show while recording another!

HDTV

HDTV technology offers customers an unmatched video and audio experience that is clearer and sharper than anything ever available. HDTV programming is delivered from TruVista from affiliates of ABC, CBS, NBC, FOX and also from ESPN, Discovery and HBO. More programs and channels are being added all the time! All you need is an HDTV-ready set and a HDTV digital converter.

PAY-PER-VIEW

Watch all the latest movies without having to leave the house! Pay-per-view allows you to enjoy current hit movies, concerts, sporting events and more. Just use your remote control to make your selection from the on-screen program guide.
