TRUVISTA CALLING CARDS

Carry the Advantages of Your Long Distance Service Wherever You Go!

SAVE MONEY

TruVista Calling Card rates are significantly lower than most other cards. Use the TruVista Calling Card when you or other family members travel to save up to 50% on calls that require operator assistance. A TruVista Calling Card is also more economical than expensive hotel surcharges and mobile phone roaming charges.

SAVE TIME

Access long distance networks from almost any phone in the United States, public or private. Even use your TruVista Calling Card to make local calls from a pay phone - no pocket change needed!

EASY TO USE

Your TruVista Calling Card is "user friendly" - simply dial the 800 Access Number and follow the voice prompts. Don't hang up to make a second call! The handy Call Re- origination feature lets you make an additional call by simply dialing #.

SINGLE BILL

With a TruVista Calling Card, charges will be conveniently included in your regular monthly bill. There's no charge to receive a card and no annual fee — you pay only for the calls you make. Plus, you may order as many cards as you like and distribute them to family members. By requesting multiple PINs (Personal Identification Numbers), you can easily monitor usage on a single consolidated bill.

PERSONAL TOLL-FREE NUMBERS

TruVista offers personal toll free numbers (800, 888, 877, and 866) so friends and family members can reach you toll free from anyplace, anytime. Unlike collect calls where you have no control over the costs, a personal toll free number enables calls to be routed to your home phone line and your costs are minimal,

thanks to our low rates. Personal toll free numbers are ideal for anyone who has a child at college, an elderly relative out of town in a nursing home or on a fixed income, or just special friends far away. Give out your number only to those you choose, and they'll be more eager to call because it's your dime!
